

THE TIGER

1 9 5 4

May this, the 100th anniversary of
the promulgation of the dogma of
your Immaculate Conception, be
a year filled with love, prayer and
peace for a weary, war-torn world.
Let the caressing folds of your blue
mantle envelop the world, changing
sorrow into joy, evil into good, and
adversity into peace and good will.

the **TIGER '54**

Foreword

Though this year has passed, we trust it will not be forgotten, and hope that this book, both in the close and distant future, will help to preserve your memory of these days. This book is a record of who you are and of some of the things you have done during the year. The complete story cannot be pictured, because one would have to portray the minds and hearts of all, but we have done our best to offer you as complete a volume as we could.

GRADUATION

To a member of the Class of 1955, a member of the National Honor Society, and treasurer of the same organization, literary editor of the Tiger, consistently at the head of the honor roll for six semesters-- and this year, academic leader of the Junior Class, who has been throughout three years an inspiration to his companions as a truly Christian gentleman, it is both an honor and a pleasure to present the Scholar-of-the-Year Award to Joseph Murphy of Austin, Texas.

Scholar of the Year

Man of the Year
Athlete of the Year
Valedictorian

To a member of the Senior Class who best exemplifies the code of the St. Edward's man, who is president of his class, president of the National Honor Society, president of the "E" Club, and editor-in-chief of student publications.

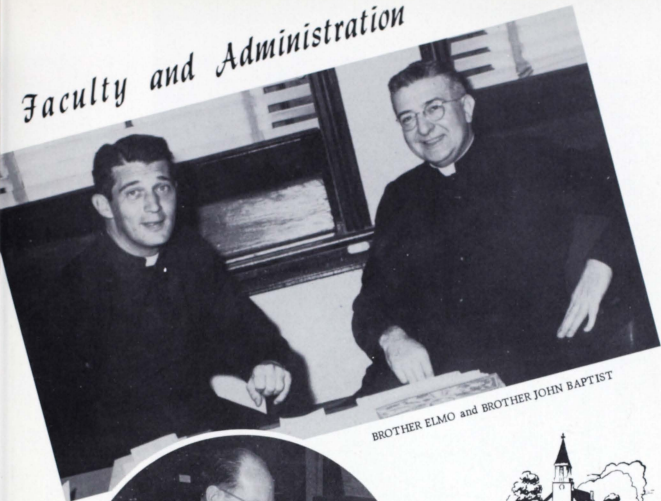

An athlete who this year was captain of all major sports, who has won a total of eight letters in four years, who has led the track team in 1953 and 1954 to the Regional Meet - an athlete characterized for team cooperation rather than for individual play - we deem it an especial privilege to confer the double distinction of Man-of-the-Year and Athlete-of-the-Year Awards for the year 1954 upon George Robert Moran of Midland, Texas.
