# Foreword

Christian education consists in the harmonious development of the whole man - his physical, volitional, intellectual and religious powers. It prepares him "for what he must be and for what he must become here below in order to attain the sublime end for which he was created" (Pius XI).

During the course of this year, you have been exposed to an environment which will have a great bearing on your later life. While at St. Edward's, you have prepared, or are preparing, for your next big step in life. We of the TIGER staff hope that we have succeeded in our effort to tell the story of your days at St. Edward's.

## *Dedication*

BROTHER EPHREM O'DWYER, C.S.C.

To Brother Ephrem O'Dwyer, C.S.C., who, as Provincial of the United States Brothers' Province from 1950 to 1956, brought about tremendous advances, both for the Congregation of Holy Cross in general, and for St. Edward's University and High School in particular, we, the members of the TIGER staff, dedicate this yearbook. We wish Brother Ephrem continued success in his government of the newly-established Eastern Vice Province of the Brothers of Holy Cross, of which Brother has been appointed Vice Provincial.

## CLASSES

- } faculty
- } students
- } scholastic activities

The development of an intellect well formed and well disciplined by balanced training, elevated and rendered secure through the principles of religion, is an aim of a St. Edward's education.
